The wind had been howling all night. At dawn a wierd orange glow filled my
bedroom. I peered through the curtains. The sun shone brightly but something
very strange had happened. Everything was orange. I had never seen anything
like it. Had I been transported to another planet wile I slept?

The school bus arrived. It was orange! We passed orange fences, orange sheep
grazing on orange grass, and the orange hospital befor arriving at our orange
school. Our teacher explaind that nature can often surprise us. A huge dust storm
had blown in from inland Australia, covering much of the eastern states.

Now the dust has dissappeared but I will always remember the day my world
changed colour.
